# VERTICAL PRINTED

## Synthetic green wall with leaf patterned back

It creates a natural atmosphere in any space, while offering a maintenance-free solution. The decoration, consisting of 25x25 cm panels, is easy to install, and its leaf-patterned back gives it a lifelike appearance. Its durable, UV-resistant material ensures that it retains its fresh, green color in the long term. An ideal choice for decorating homes, offices and public spaces.

### Benefits

- Provides a natural look without maintenance
- Flexible, easy to install
