

NORTENE®

AQUA PLUSH WINNY

Garden plush in artificial turf, decorative and ingenious. Sitting bear figurine

To be installed outdoors during the good weather, near flower beds, planters or pots. Thanks to its integrated 26L water reservoir and drip system, plants and flowers will be watered with ease. Supplied with 10m of Ø 6mm hose + 6 T-junctions + 6 drippers + 3 anchoring stakes.

Benefits

What could be smarter than this attractive synthetic garden plush, to be installed outside on sunny days ! it indeed conceals a water tank !

Access to the tank is hidden at the back of its head, it stores up to 26L of water, to be filled using a hose or a watering can.

The drip irrigation kit is included.

Go out from home for few days with a free spirit, plants and flowers placed in pots or planters will be watered.

* This is not a toy, not suitable for children
