# FLORA ROLL COLOR

Solid wood support on wheels, for effortless movement of potted plants

It's the same story every winter. Potted flowers are heavy, and it's a struggle to move them to safety. These rolling plates offer a great solution.

## Benefits

These rolling plates make it easy to move potted plants without heavy lifting. Their stylish colours improve the atmosphere of your terrace or living room.

## Characteristics

Painted hardwood plate for the easy movement of potted plants. With four wheels and two brakes. Can be used indoors and outdoors. Size: Ø 30 cm. Colour: anthracit. Maximum load: 120 kg.
