

WICK TRELLIS

Braided nuns made of natural commas

Extendable, this natural wicker trellis can be used to decorate a wall, support a climbing plant, or create a temporary fence. Stripped of its bark, its light colour highlights an attractive geometric structure.

Benefits

With its very tight lozenges, this trellis adapts perfectly to all styles of gardens and houses. 100% natural, discreet and particularly good for enhancing plants in flower. It can also be used as a natural separation in a vegetable garden or on a patio.

Characteristics

In natural stripped wicker. Available in 2 sizes.
