

ETIK FIX

Anchor stake to finalize the installation of the border

Fixing accessory to complete the installation of ETIK BORDURA. The anchor stake is fixed to the upper edge of the border, simply by interlocking.

Benefits

A few light strokes of the hammer are enough to drive the stake into the ground and thus secure the border. Resistant to shocks and temperature variations. To be placed according to the curvature you want to give to the border or according to the degree of depression of the earth border.

Characteristics

Made of 100% recycled polypropylene. Height 27 x 2 x 2 cm. Anti-UV treated. Set of 10 stakes.

Ref.	Size.	Color
2019515	2 x 2 x 27 cm	
2019516	2 x 2 x 27 cm
